

Number: 1121 - CPD – ABB038

In compliance with Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it is confirmed that the following products are subject to factory production control procedures and are submitted by the manufacturer to further testing of samples taken at the factory in accordance with a prescribed test plan. The stated Notified Certification Body has performed the initial type-testing for the relevant characteristics of the product, has conducted the initial inspection of the factory and the factory production control, and is responsible for the continuous surveillance, assessment and approval of the factory production control. At the request of the manufacturer, this Body also routinely conducts audit-testing of samples taken at the factory, on the market or at the construction site.

construction product : **Emergency Exit Devices "DORMA Exit Pad" Series as detailed on page 2**

placed on the market by:

Company:

DORMA G.m.b.H. + Co. KG

Address:

Breckerfelder Straße 42 – 48, D-58256, Ennepetal

product classification:
